Experience

Freight Broker - Caribbean Global Shipping LLC (CGS), Dubai, UAE

August 2024 – Present

- Manage end-to-end import and export shipments across Air, Sea, and Land freight (FCL/LCL).
- Prepare and issue 50+ accurate freight quotations per month across Air, Sea, and Land freight, converting client RFQs into confirmed bookings.
- Convert qualified enquiries into confirmed business, supporting revenue growth and client acquisition.
- Identify and onboard prospective clients through digital platforms and market research.
- Coordinate shipment planning, execution, tracking, and delivery to support on-time shipment performance.
- Maintain regular communication with clients regarding shipment status, ETA, delays, and operational updates.
- Prepare, verify, and coordinate shipping and commercial documentation, including Bill of Lading (B/L), Airway Bill (AWB), commercial invoices, packing lists, and Certificate of Origin (COO).
- Coordinate VAT compliance and trade license requirements with clients and relevant authorities.
- Prepare customs clearance quotations covering duties, VAT, and applicable handling charges.
- Coordinate collection and submission of original shipping documents with clients, carriers, and other stakeholders.
- Organize last-mile transportation from ports and airports to final delivery locations.
- Maintain strong client relationships to support repeat business and long-term partnerships.
- Utilize CRM and internal systems for client management, shipment tracking, reporting, and operational coordination.
- Monitor operational performance and identify opportunities for process improvement.

Service Operations Associate - Seagull Technologies, Dubai, UAE

January 2023 – April 2024

- Managed customer support tickets using Zendesk and Salesforce Service Cloud, ensuring accurate tracking and timely resolution.
- Resolved order-related issues including returns, refunds, cancellations, and replacements.
- Maintained accurate customer records and interaction histories across CRM systems.
- Handled customer enquiries, complaints, and escalations while maintaining a consistent customer experience.

Customer Service Representative - Inbound Refunds - Teleperformance, Srinagar, India

July 2022 – December 2022

- Handled Flipkart inbound refund enquiries, verifying eligibility and processing customer refund requests according to company policies.
- Managed L2 escalations involving delayed, denied, and partial refunds, coordinating complex cases with supervisors and specialized teams.
- Maintained service quality while consistently meeting individual targets and KPIs.
- Collaborated with team members to share best practices and support overall operational performance.

Education

B.Tech - Electrical Engineering 2018 – 2022
 Model Institute of Engineering and Technology, Jammu, India

Projects

H Freight Broker Website *HTML · CSS · JavaScript · React*
[Live Demo](#)
 • Designed and developed a freight forwarding and logistics website focused on customer enquiries and lead generation.
